ABSTRACT

The halal lifestyle has now become a popular lifestyle which includes food, clothing and behavior according to the Shari'a, which is beneficial from a religious, health and economic perspective. Islamic boarding schools support the implementation of this lifestyle through religious education and the example of caregivers, forming students who live according to sharia principles. Based on this, the researcher raised the title "The Role of Islamic Boarding Schools in the Actualization of Halal Lifestyle for Santri". This research aims to determine the role of Islamic boarding schools in forming students' awareness of the importance of a halal lifestyle. What are the challenges faced by Islamic boarding schools in actualizing a halal lifestyle among students. This research uses a qualitative method with a case study approach by collecting data through interviews and direct observation at Pondok. Nurul Islam Islamic Boarding School and Hidayatuuah Islamic Boarding School, Sumenep, Madura. The results of this research show that Islamic boarding schools have an important role in actualizing the halal lifestyle among students, as seen at the Nurul Islam Bluto Islamic Boarding School and the Hidayatullah Islamic Boarding School, Sumenep. These two Islamic boarding schools not only teach the Islamic religion, but also teach halal principles in the daily lives of students, such as in consuming food and drinks, choosing halal products, and dressing ethics in accordance with Islamic Sharia.
