Fitri Dian Anggraini, Pengaruh Implementasi Tata Kelola Perusahaan terhadap Reputasi Perbankan Syariah di Indonesia Periode 2013-2017. Di bawah bimbingan Dr. Rita Yuliana, S.E., MSA., Ak., CA.

Penelitian ini bertujuan untuk memberikan bukti empiris mengenai pengaruh implementasi tata kelola perusahaan: jumlah dewan komisaris, jumlah dewan direksi, jumlah komite audit, dan jumlah dewan pengawas syariah terhadap reputasi perbankan syariah di Indonesia. Penelitian ini merupakan penelitian kuantitatif dengan teknik sensus dalam pengambilan data. Data yang digunakan termasuk jenis data sekunder yang diperoleh dari *annual report* masing-masing perbankan yang terdaftar di Direktori Perbankan Indonesia periode 2013-2017. Teknik analisis data dengan regresi linier berganda melalui *software* SPSS 20.

Hasil penelitian menunjukkan bukti bahwa jumlah dewan direksi dan jumlah dewan pengawas syariah berpengaruh terhadap reputasi perbankan syariah. Sedangkan jumlah dewan komisaris dan jumlah komite audit tidak memiliki pengaruh terhadap reputasi perbankan syariah.

Kata Kunci: Tata Kelola, Jumlah Dewan Komisaris, Jumlah Dewan Direksi, Jumlah Komite Audit, Jumlah Dewan Pengawas Syariah, dan Reputasi.

ABSTRACT

Fitri Dian Anggraini, *Influence of Corporate Governance Implementation on Reputation of Sharia Banking in Indonesia for the 2013-2017 period. Under the guidance of Dr. Rita Yuliana, S.E., M.SA., Ak., CA.*

This study aims to provide empirical evidence regarding the effect of corporate governance implementation: number of board of commissioners, number of board of directors, number of audit committees, and number of sharia supervisory boards on the reputation of Islamic Banking in Indonesia. In data collection, this research is quantitative with census techniques. The data used includes secondary data obtained from the annual report of each bank registered in the Indonesian Banking Directory for the period 2013-2017. Data analysis techniques with multiple linear regression through SPSS 20 software.

The result of the study show evidence that the number of board of directors and the number of sharia supervisory board of commissioners and the number of audit committees have no influence on the reputation of Islamic Banking.

Keywords: *Governance, Number of Board of Commissioners, Number of Board of Directors, Number of Audit Committees, Number of Sharia Supervisory Boards, and Reputation.*
