

RINGKASAN

Di era globalisasi kini industri halal telah berkontribusi besar terhadap perekonomian di dunia. Hal ini didukung oleh adanya perkembangan masyarakat muslim di dunia dan juga didorongnya kebiasaan *halal style* oleh masyarakat non muslim. Indonesia sebagai penduduk muslim terbesar di dunia berpeluang besar meningkatkan perekonomian dunia dalam mengembangkan industri halal. Dengan adanya potensi besar tersebut pemerintah ingin mendorong perkembangan industri halal dengan membentuk kawasan industri halal di Indonesia. Hal ini dibuktikan pemerintah dengan menerbitkan Peraturan Menteri Perindustrian Nomor 17 Tahun 2020 tentang Tata Cara Memperoleh Surat Keterangan Pembentukan Kawasan Industri Halal.

ABSTRACT

In the current era of globalization, the halal industry has contributed greatly to the economy in the world. This is supported by the development of the Muslim community in the world and also the encouragement of halal style habits by non-Muslim communities. Indonesia as the largest Muslim population in the world has a great opportunity to improve the world economy in developing the halal industry. With this great potential, the government wants to encourage the development of the halal industry by establishing a halal industrial area in Indonesia. This was proven by the government by issuing Regulation of the Minister of Industry Number 17 of 2020 concerning Procedures for Obtaining a Certificate of Establishment of a Halal Industrial Area.
