

ABSTRACT

Kenanga, Aning. 09.05.111.00043. *The Invisible Man's Segregation in Ralph Ellison's Invisible Man*. Thesis. English Study Program of Faculty of Social and Cultural Sciences, University of Trunojoyo Madura. Advisors: (I) Suci Suryani, S.S, M.Pd.; (II) Diva Wenanda, S.S, M.Pd.

Racism is crucial issue in the world, especially for African Americans and the Whites. Many form of Racist treatment which is done by the Whites as the superior to oppress the African Americans as the inferior. This study is aimed to analyze the forms of segregation experienced by African Americans and the effort of African Americans in survival among the bad treatment of the Whites which is existed in Ralph Ellison's "Invisible Man". Since segregation is one of form of Racism, Theory of Racism is used in this study. Furthermore, to clarify the segregation experienced by African Americans and also the efforts of African Americans in the novel itself, this study uses a qualitative method since the data in the form of words or utterances.

The result of this study shows that from the novel entitled "The Invisible Man" by Ralph Ellison, there are segregation in the case of housing, education, and occupation experienced by the Invisible Man as African Americans.

Keywords: Racism, Segregation
