ABSTRAK

Abstrak: Penelitian ini dilatarbelakangi oleh kurangnya kemampuan siswa dalam menulis puisi. Perlu menerapkan media pembelajaran yaitu media poster untuk mengurangi lemahnya kemampuan siswa dalam menulis. Tujuan penelitian yaitu mengetahui pengaruh media poster terhadap keterampilan menulis puisi siswa kelas VIII MTS Darul Hikmah Mojokerto. Penelitian ini menggunakan metode penelitian kuantitatif *quasi experimental* dengan desain *nonequivalent control design group*. Teknik pengambilan sampel menggunakan *sampling purposive*. Sampel yang digunakan pada penelitian adalah Penelitian ini menggunakan sampel kelas VIII A sebagai kelas kontrol dan VIII B sebagai kelas eksperimen. Teknik pengumpulan data yang digunakan adalah tes, angket, wawancara, dan lembar observasi. Instrumen penelitian dalam penelitian ini adalah tes, angket, wawancara, dan lembar observasi. Uji prasyarat pada penelitian menggunakan uji homogenitas, uji normalitas dan Uji T. Dalam perhitungan uji homogenitas *posttest* $0,97 \leq 1,92$ dan uji homogenitas *pretest* $1,70 \leq 1,92$ dapat dikategorikan homogen. Pada perhitungan uji normalitas *pretest* kelas eksperimen $0,093 \leq 0,224$ dan uji normalitas *posttest* kelas eksperimen $0,154 \leq 0,224$. Sedangkan, uji normalitas *pretest* kelas kontrol $0,105 \leq 0,224$ dan uji normalitas *posttest* kelas kontrol $0,153 \leq 0,224$ dari perhitungan uji normalitas dapat dikategorikan berdistribusi normal. Pada perhitungan Uji T diperoleh $T_{hitung} (4,424) \geq T_{tabel} (2,042)$ sehingga H_0 ditolak dan H_a diterima. Berdasarkan hasil perhitungan uji prasyarat bahwa adanya pengaruh penggunaan media poster dalam keterampilan menulis puisi. Dengan demikian, guru diberikan saran untuk memanfaatkan media poster pada keterampilan menulis puisi.

Kata kunci: *media poster, keterampilan menulis, puisi*

Nadia Hasna Hamidah. 2022. *The Effect of Using Poster Media on the Poetry Writing Skills of Grade VIII Students of MTS Darul Hikmah Mojokerto*. ABSTRACT

Abstract: This research is motivated by the lack of students' ability to write poetry. So, it is necessary to apply learning media, namely poster media to reduce students' weak writing abilities. The aim of the study was to determine the influence of poster media on the poetry writing skills of class VIII students of MTS Darul Hikmah Mojokerto. This study used a quasi-experimental quantitative research method with a nonequivalent control group design. The sampling technique used purposive sampling. The sample used in the study was this study using class VIII A as the control class and VIII B as the experimental class. Data collection techniques used were tests, questionnaires, interviews, and observation sheets. The research instruments in this study were tests, questionnaires, interviews, and observation sheets. Prerequisite tests in this study used the homogeneity test, normality test and T test. In the calculation of the posttest homogeneity test $0.97 \leq 1.92$ and the pretest homogeneity test $1.70 \leq 1.92$ it can be categorized as homogeneous. In the calculation of the normality test for the experimental class pretest $0.093 \leq 0.224$ and the posttest normality test for the experimental class $0.154 \leq 0.224$. Meanwhile, the pretest normality test for the control class is $0.105 \leq 0.224$ and the posttest normality test for the control class is $0.153 \leq 0.224$ from the calculation of the normality test which can be categorized as normally distributed. In the calculation of the T test obtained $T_{count} (4.424) \geq T_{table} (2.042)$ so that H_0 is rejected and H_a is accepted. Based on the results of the prerequisite test calculations that there is an effect of using poster media on poetry writing skills. Thus, teachers are given suggestions for utilizing poster media on poetry writing skills.

Keywords: media posters, writing skills, poetry
