

Zahratul Qalbiyyah. 2016. *Peran Guru Dalam Pencegahan Pernikahan Dini Pada Usia Sekolah Dasar (Studi Guru di SDN Telang 2)*. Skripsi. Program Studi Pendidikan Guru Sekolah Dasar, Fakultas Ilmu Pendidikan, Universitas Trunojoyo Madura. Pembimbing I: Priyono Tri Febrianto, S.Sos., M.Si., Pembimbing II: Badrud Tamam, S.Si., M.Si.

ABSTRAK

Pada masa kini pernikahan dikalangan siswa sekolah dasar masih sangat tinggi dan merupakan hal yang menjadi salah satu pokok masalah reproduksi dan kesehatan. Kejadian tersebut disebabkan masih kentalnya peranan sosial masyarakat yang mengedepankan tradisi lama. Tujuan dari penelitian ini adalah untuk mengetahui upaya dan peranan guru dalam mencegah pernikahan dini yang terjadi di sekolah dasar. Subjek penelitian dalam penelitian adalah guru SDN Telang 2. Jenis penelitian menggunakan metode kualitatif deskriptif. Teknik pengumpulan data yang digunakan adalah observasi, wawancara dan dokumentasi. Berdasarkan hasil penelitian upaya dan peran guru dalam pencegahan pernikahan dini di sekolah dasar yaitu selalu memberi nasehat dan motivasi tentang pendidikan yang harus ditempuh dalam usia dini. Selain itu memberikan motivasi berupa beasiswa tunjangan pendidikan agar tidak putus sekolah dan terus melanjutkan pendidikan ke jenjang yang lebih tinggi. Selain itu memberikan gambaran masa depan bagi siswa yang sudah menempuh pendidikan yang tinggi.

Kata Kunci: Peran guru, pernikahan dini.
