

ABSTRACT

Qomar, Riva Nurul. 15.05.111.000.16. *Main Character's Intrapersonal Intelligence in Novel Jane Eyre by Charlotte Brontë.* Thesis. English Study Program of The Faculty of Social and Cultural Science, University of Trunojoyo Madura. Advisor: **Prof. Dr. Suryo Tri Saksono.**

This paper analyzes how intrapersonal intelligence of characters influences the other character in the novel *Jane Eyre*. This study aims to describe the process of Jane Eyre as the main character in the novel to get her intelligence developed. It describes how the other characters influence Jane Eyre in developing her intelligence through their own intelligence and how Jane Eyre's intelligence influences herself in her life's journey. Descriptive qualitative was used in this research with Multiple Intelligence as the theory.

The data were collected by reading the novel, the data were in the form of utterances of the characters and the author's narration. The result of the research show that intelligence naturally exist and need to be developed, Jane Eyre who has been influenced by other characters when she was in the school then grow up into a lady with a huge of knowledge. as she keeps developing herself to be a better young woman her intelligence got better and it helped her in finding the solution of every problem she faced in her life's journey.

Keywords: Multiple Intelligences, Jane Eyre, intrapersonal intelligence.
