ABSTRACT

ABSTRAK

ROSIDI, NIM: 100521100020, sociology study program faculty of social science and culture Universitas Trunojoyo Madura, this thesis is about Perception of Blater toward a Wife (*studi kasus: di Desa Bira Timur, Kecamatan Sokobanah, Kabupaten Sampang*). Supervisor is Hisnuddin Lubis, M.A

A wife in Madura has a significant role and contribution to create a good family. For Blater, she is associated to specific characteristics such as generous, serenity, and family welfare. The name of Blater is associated to strong individual having good attitude and role model in society. He is so respected by them because he can be able to give safety and protection to them. Furthermore, the existence of wife here has definitely a different own paradigm to establish and to treat his wife in his family.

The aim of this study is to know Blater's perception toward his wife in which this case study in Bira Timur Sokobanah district Sampang regency area. This study utilizes Descriptive Qualitative method through study approach. The analyzing of data perception is taking a deep interview and documentation with specific informant by using *purposive of sampling*, which is having an accurate data. In addition, this study also employs source Triangulation and theory. Role Theory is a role of dynamic aspect from status. Biddle and Thomas deliver role theory into some part namely: firstly, people are part a role in social interaction; secondly, the attitude occurs in social interaction such as role of people in behavior and engagement between people and behavior itself.

The result of this study which is accomplished in Bira Timur Sokobanah district Sampang regency shows that Blater's perception toward Blater's wife is variability. The existence of wife has a significant role in his life. For the example, he is a symbol of husband's honor, domestic mother, arrangement of money, reproduction of family, and family partner. Her presence is able to encourage him to get a spirit life and also able to balancing their life between Blater's life and her. Besides that, his wife is also regarded as the important role to endure variety of interaction and communication. As the result, she can display a positive and negative assumption for Blater.
