ABSTRAK

Kegiatan pembelajaran yang dilakukan hanya menggunakan media gambar yang dibuat dalam satu materi dan ditempel di dinding kelas, sehingga dalam proses pembelajaran siswa sulit memahami materi pembelajaran tematik. Berdasarkan permasalahan tersebut, peneliti bertujuan mengembangkan Media Taktik “Perjuangan Para Pahlawan” (Media Kotak Tematik) yang valid, menarik, efektif, dan mudah diterapkan dalam pembelajaran di UPTD SDN Tragah Bangkalan. Penelitian dan pengembangan ini menggunakan model pengembangan *Borg and Gall* yang dimodifikasi oleh Sugiyono (2017: 406). Hasil penelitian ini menunjukkan bahwa rata-rata hasil validasi yang diperoleh dari ahli media pembelajaran, ahli materi pembelajaran, dan ahli desain pembelajaran sebesar 90,4% dengan kategori sangat valid. Kemenarikan diukur dari hasil angket respon siswa pada uji coba produk sebesar 92% dan pada uji coba pemakaian menggunakan pembelajaran memperoleh presentase sebesar 95% dengan kategori sangat menarik. Keefektifan media diukur dari observasi aktivitas guru sebesar 98%, observasi aktivitas siswa sebesar 95% dan presentase ketuntasan klasikal sebesar 89% sehingga dapat disimpulkan Media Taktik “Perjuangan Para Pahlawan” (Media Kotak Tematik) sangat efektif digunakan dalam pembelajaran. Keterterapan diukur dari angket respon guru sebesar 95% dengan kategori sangat mudah diterapkan. Berdasarkan hasil penelitian maka Media Taktik “Perjuangan Para Pahlawan” (Media Kotak Tematik) yang dikembangkan valid, menarik, efektif, dan mudah diterapkan untuk siswa kelas IV di UPTD SDN Tragah Bangkalan.

ABSTRACT

Learning activities carried out using only media images created in one material and posted on the classroom wall, so that in the learning process students find it difficult to understand thematic learning material. Based on these problems, the researcher aims to develop a Tactic Media "The Heroes' Struggle" (Thematic Box Media) that is valid, interesting, effective, and easy to apply in learning in UPTD SDN Tragah Bangkalan. This research and development uses the *Borg and Gall* development model modified by Sugiyono (2017: 406). The results of this study indicate that the average validation results obtained from learning media experts, learning material experts, and learning design experts are 90.4% with a very valid category. The attractiveness is measured from the results of the questionnaire responses of students in product trials by 92% and in the trial of the use of learning obtained a percentage of 95% with a very interesting category. The effectiveness of the media is measured from the observation of teacher activity by 98%, observation of student activity by 95% and the percentage of classical completeness by 89% so that it can be concluded that the Tactic Media of "The Heroes' Struggle" (Thematic Box Media) is very effective in learning. Applied measured by teacher questionnaire responses by 95% with the category is very easy to apply. Based on the results of the research, the Tactics Media "The Heroes' Struggle" (Thematic Box Media) which was developed is valid, interesting, effective, and easily applied to fourth grade students in UPTD SDN Tragah Bangkalan.
