ABSTRACT

This study aims to describe the character of elementary school students of Bancaran 4 studying at private school (Madrasah Diniyah) . This study uses qualitative research design. The sources of the study are students of class IV, teachers of religious education, the parents, and Uztaz in Madrasah Diniyah. Method of data collection takes observation, interview, and documentation. Whereas, the data analysis is data reduction, data display, and conclusion. The Validity test of the study uses technique triangulation and sources. The results of this study indicate that the character of religious students 1) The faith in god is shown by praying before doing the particular activity, reciting Tasbih, and knowing the Asmaul Husna. The faith in angels is shown by knowing the names and duties of angels. The faith in the book of God (Alquran) is shown by knowing the name of the holy book and His prophets, reciting the Qur'an, and memorizing a few chapter of holy book (Qur'an). The faith in Prophets and Messengers is demonstrated by memorizing the names of the Prophet of Allah, Knowing and memorizing the Prophet's qualities, knowing the examples of prophets and answering sholawat when hearing the name of Prophet Muhammad (SAW). The faith in the Day of Resurrection is shown by knowing the death and the grave's natural life, knowing the day of vengeance, and knowing heaven and hell. The faith in qodo and qodar is by saying "Alhamdulillah" and be patient by saying "Astagfirullah". 2) The Character of students on the aspect of Islam is shown by students are able to say two sentences of shahadat, to pray 5 times a day, to know the amount of zakat to be paid, to fast in Ramadan, however the students haven't known the implementation of "haji". 3) The character of the students on the aspect of Ihsan is indicated by practicing sunnah worship such as tahlilan and solat duha. Doing an activity for Allah (God) only is shown by taking private school (Madrassa diniyah) and prayers without command and reward. 4) Character of students on aspects of Science is shown by learning to recite the Qur'an both tafsir and its tajwid. The character of the student on the aspect of charity is shown by doing good deeds to parents, to friends of equal age, to himself/herself and his/her charity to the environment.
