

Punishment TO pedophiles IN INDONESIA

Abstract

Violence against children occurs more and more especially sexual violence, it can damage the future of children who are victims. Pedophilia cases in Indonesia showed the children are vulnerable to be victim. Regarding specific safeguards for children, noted that today many children in Indonesia are treated very unfit, the weak social controls blamed to be the cause of many cases of pedophilia. Law enforcement on child sex offenders is still very weak, the perpetrator should get heavier law. The rule of law must be strengthened and various regulations are expected not merely formalistic rules, but these regulations have the effectiveness and binding force, so that law enforcement in Indonesia can be maximized. The first legal issue is the setting of punishment against children in the regulation of such offenders Legislation in Indonesia, both the type and weight of sanctions in the laws and regulations already be in proper perspective and feasible.

The method used is a kind of normative legal research is research based on an analysis of library materials and regulations Legislation Law of the Republic of Indonesia Number 35 Year 2014 on the Protection of the child and the Code of Criminal Law (Criminal Code). The approach used is the approach of legislation (statute approach) is approached by way of study, related to legal issues faced. Pedophilia deeds phenomenon in Indonesia are generally set in the Code of Criminal Law (Criminal Code), which in Article 290, Article 292, Article 294 but based on the principle of *Lex specialis derogate legi generalist*, Pedophilia child actors can be viewed by using the Law No. 35 2014 on the Protection of Children, namely Article 81 Jo Article 82, Punishment of perpetrators Pedophilia provided for in the Criminal Procedure Law (Criminal Code) and Act No. 35 of 2014 on Protection of Children alike know penalty Prison with mean weight average 5 years and above. However, punishment threatened against the perpetrators of Pedophilia in Act No. 35 of 2014, more severe sanctions types and weights, which are not only familiar with imprisonment but also fine, with a weight of at least 5 years in prison and a maximum of 15 years in prison and a fine of Rp. 5.000,000,000.00; (Five Billion Rupiah)
