ABSTRAK

Penelitian ini bertujuan untuk mengetahui kelayakan media *scrapbook* berbasis *pictorial riddle*, keterbacaan, respons siswa dan minat belajar siswa pada materi pencemaran lingkungan. Penelitian ini menggunakan model pengembangan ADDIE dan desain penelitian menggunakan desain *One-Shot Case Study*. Media yang dikembangkan diterapkan di kelas VII A SMP Negeri 2 Blega. Berdasarkan hasil pengembangan dan penelitian (R & D) diperoleh data sebagai berikut: 1) Hasil rata-rata kelayakan media *scrapbook* sebesar 90,72% dengan kriteria sangat valid. 2) Hasil rata-rata keterbacaan media *scrapbook* sebesar 87,50% dengan kriteria sangat baik. 3) Hasil rata-rata respons siswa sebesar 88,02% dengan kriteria sangat baik. 4) Hasil rata-rata minat belajar siswa sebesar 86,50% dengan kriteria sangat berminat. Sehingga dapat dikatakan bahwa media *scrapbook* berbasis *pictorial riddle* layak digunakan pada pembelajaran dengan materi pencemaran lingkungan dan dapat menumbuhkan minat belajar siswa.

Kata kunci: media *scrapbook*, minat belajar siswa, *pictorial riddle*.

ABSTRACT

This study aims to determine the advisability of scrapbook media based on pictorial riddle, readability, students response and interest of student learning in environmental pollution material. This research used ADDIE development model and One-Shot Case Study as research design. The product was implemented in class VII A SMP Negeri 2 Blega. Based on the results of development and research (R & D) obtained the data as follows: 1) The average result expediency of scrapbook media of 90,72% with very valid criteria. 2) The average result of readability of scrapbook media of 87,50% with very good criteria. 3) The average result of students response of 88,02% with very good criteria. 4) The average result interest of student learning of 86,50% with very interest criteria. It concluded that scrapbook media based on pictorial riddle worth to use in learning with environmental pollution material and can make interest of student learning grow.

Keywords: scrapbook media, interest of student learning, pictorial riddle.
