ABSTRAK

Penelitian ini merupakan penelitian pengembangan (*research and development*) yang dilatarbelakangi oleh (1) adanya kesulitan peserta didik dalam mengembangkan keterampilan menulis terutama pada materi menulis surat resmi (2) dari segi bahan ajar guru masih menggunakan LKPD konvensional yang menurut satu guru Bahasa Indonesia kurang efektif terhadap respon peserta didik (3) kurangnya pemanfaatan bahan ajar interaktif yang berbasis teknologi. Penelitian ini bertujuan untuk mengetahui proses pengembangan, kelayakan, dan kepraktisan lembar kerja peserta didik elektronik berbasis *liveworksheets* pada materi menulis surat resmi kelas VII. Implementasi produk pengembangan dilakukan di SMPN 3 Bangkalan dengan subjek uji coba sebanyak 22 peserta didik. Hasil penelitian menunjukkan (1) produk berhasil dikembangkan sesuai tahapan, (2) tingkat kelayakan memperoleh nilai uji kelayakan validasi ahli materi sebesar 70,9% dengan kategori valid, ahli bahasa sebesar 82,2% dengan kategori sangat valid, dan ahli media sebesar 95,7% dengan kategori sangat valid dan (3) tingkat kepraktisan pada uji coba kelompok kecil mendapatkan nilai rata-rata sebesar 75,1% kategori praktis, uji coba kelompok besar sebesar 81,1% kategori sangat praktis dan uji coba pada satu guru Bahasa Indonesia sebesar 97,1% kategori sangat praktis, dari hasil rata-rata tersebut lembar kerja peserta didik elektronik berbasis *liveworksheets* pada materi menulis surat resmi kelas VII SMP dapat digunakan dalam proses pembelajaran di sekolah.

Kata Kunci: E-LKPD, *liveworksheets*, surat resmi

ABSTRACT

This research is a research and development research which is motivated by (1) the difficulties of students in developing writing skills, especially in the material of writing official letters (2) in terms of teaching materials, teachers still use conventional LKPD which according to one Indonesian language teacher is less effective in responding to students (3) the lack of use of interactive teaching materials based on technology. This study aims to determine the development process, feasibility, and practicality of electronic student worksheets based on liveworksheets on the material of writing official letters for class VII. The implementation of the development product was carried out at SMPN 3 Bangkalan with 22 students as trial subjects. The results of the study showed (1) the product was successfully developed according to the stages, (2) the feasibility level obtained a value of 70.9% in the validation test of material experts with a valid category, 82.2% in the very valid category for language experts, and 95.7% in the very valid category for media experts and (3) the level of practicality in small group trials obtained an average value of 75.1% in the practical category, 81.1% in the large group trials with a very practical category and 97.1% in the very practical category for trials on one Indonesian language teacher, from the average results, the electronic student worksheet based on liveworksheets on the material for writing official letters for class VII of junior high school can be used in the learning process at school.

Keywords: E-LKPD, liveworksheets, official letters
