Syaiful Anwar. 140541100114. Pengaruh *Self Esteem* terhadap Intensitas Perilaku Gosip pada Santri di Pondok Pesantren At Taawun Sabilush Sholihhin Bangkalan. Skripsi. Program Studi Psikologi, Fakultas Ilmu Sosial dan Ilmu Budaya, Universitas Trunojoyo Madura. 2021. xvii + 78 halaman, 14 lampiran.

Penelitian ini bertujuan untuk mengetahui pengaruh *self esteem* terhadap perilaku gosip di pondok pesantren. Pendekatan penelitian adalah pendekatan penelitian kuantitatif. Populasi dalam penelitian ini adalah santri pondok pesantren At Tawun Sabilush Sholihhin di Bangkalan. Subyek penelitian terdiri dari 67 santri remaja yang tinggal dan belajar di pondok pesantren, menggunakan teknik kombinasi antara *sampling* jenuh dan *quot sampling*. Pengumpulan data menggunakan dua jenis skala, yaitu skala *self esteem* dan skala intensitas perilaku gosip. Metode analisis data yang dilakukan dalam penelitian ini menggunakan uji regresi linier sederhana dengan bantuan program *SPSS Statistics 25.0 For Windows*. Hasil penelitian menunjukkan bahwa ada pengaruh antara *self esteem* terhadap intensitas perilaku gosip, menggunakan teknik regresi linier sederhana memperoleh koefisien regresi sebesar $(r_{xy}) = 0,333$ dengan taraf signifikansi (p) 0.006 sehingga *sig. p* < 0,05 yang artinya hipotesis penelitian diterima atau terdapat pengaruh antara *self esteem* dengan intensitas perilaku gosip santri pondok pesantren Bangkalan.

Kata kunci: *Self esteem*, Intensitas perilaku gosip, Santri, Pondok pesantren

ABSTRACT

Syaiful Anwar. 140541100114. The Influence of Self Esteem on the Intensity of Gossip Behavior in Santri at the Islamic Boarding School At Taawun Sabilush Sholilhin Bangkalan. Thesis. Psychology Study Program, Faculty of Social and Cultural Sciences, Trunojoyo University, Madura. 2021. xvii + 78 pages, 14 appendices.

This study aims to determine the influence of self-esteem on gossip behavior in Islamic boarding schools. The research approach is a quantitative research approach. The population in this study were students of the At Tawun Sabilush Sholihhin Islamic boarding school in Bangkalan. The research subjects consisted of 67 teenage students who lived and studied in Islamic boarding schools, using a combination of saturated sampling and "sampling" sampling. Data collection used two types of scales, namely the self-esteem scale and the gossip behavior intensity scale. The method of data analysis carried out in this study used a simple linear regression test with the help of the SPSS Statistics 25.0 For Windows program. The results showed that there was an influence between self-esteem on the intensity of gossip behavior, using a simple linear regression technique to obtain a regression coefficient of $(r_{xy}) = 0.333$ with a significance level (p) of 0.006 so that sig. $p < 0.05$, which means the research hypothesis is accepted or there is an influence between self-esteem and the intensity of gossip behavior of the Bangkalan Islamic boarding school students.

Keywords: Self esteem, Intensity of gossip behavior, Santri, Islamic boarding school
